### Plot Synopsis

*A Chorus Line* takes the audience through the final grueling audition run by Zach, the director of a new Broadway musical. Zach has assembled 30 semi-finalists and is putting them through a vigorous series of dance steps. Soon, he will thin this group down to sixteen. They and the audience know that this number will be cut in half again and only 8 will make the final cut. *A Chorus Line* presents a true picture of what it's really like to be in the theatre - glamorous at times, but also tough and even cruel. As the dancers' individual stories pour out in song, the audience gets to know each one of the entertainers, so that by the show's end, they can empathize with all of them because - they all need this job, they all want this job, they all want to work at their craft.

### ORPHEUS THEATRE'S NEW

## TEEN THEATRE A-GO-GO

Due to the popularity of Orpheus Theatre's Musical Kids on-the-Go, we have decided to expand our special performance troupes to include our incredibly gifted and talented teens. Orpheus Theatre will be creating a troupe for teenagers aged 13-18. There will be an interest meeting (with pizza, of course!) on Sunday, June 15th at 2:00pm in the Orpheus Theatre Rehearsal Studio at 99 Main Street, Oneonta. If you are a teenager who has been involved in a mainstage Orpheus Theatre production or have been in any of our Theatre Workshops, this group is for you! There is no fee to be a member of this troupe. If you would like to take part in this new project or just find out what it's all about, come to the information meeting. If you are unable to make that meeting but would still like to become involved, call the Orpheus office at 432-1800 or email us at [orpheus@stny.rr.com](mailto:orpheus@stny.rr.com).
